No. 8

Farm Bureau News

The second Wednesday September 14th will be the next meeting of the Chapel Hill Community Club. They will have the following program to which all interested are invited: Reading, Hattie Franklin; Raising Strawberries, sweet potatoes; Marvin Hight, Jas. A. Hill; Woman's Topic, Mrs. Leslie Walker; Enslavement Making, J. A. Fowler, II; O. Hill at Adams; Education in Kentucky, Judge L. S. Nunn.

This is an excellent program and no one in the neighborhood should miss it.

An interesting test has just been completed with Mrs. R. H. Elder's flock of hens. About August 1st, 1921, she culled out 12 of the flock as layers. Five hens were then selected as layers and each put confined in a stall in the barn. At the end of six days the 12 culls had not produced an egg while the five selected for layers produced three to four eggs each day. In this case there were 13 layers in the flock, think of the birds they would consume in a year and the fact that they would lay no eggs.

Seeding Wheat

Results obtained by the Kentucky Agricultural Experiment Station in trials to determine the best rate of seeding wheat for the state show that six pecks an acre is the most profitable amount to sow according to the crop specialist. In some years less seed gave equally as good results as this amount but in no instance has lighter seeding given higher yields. Yields from lighter seedings have been lower in many cases according to the results. Seeding more than six pecks has given slightly higher yields but not enough to pay for the extra seed. It has been found that the best rate for seeding varies considerably depending on the soil, climate and other factors.

On very rich bottom or fallow land five pecks an acre is probably sufficient but on such land it is best to plant six pecks. In thin land never sow less than six pecks. The variety of wheat used may have some influence on the rate of seeding. Fewer pecks being required when the grains are small than when they are of average size because of the greater number of seed in a peck of the former. Conversely if the grains are larger and plump a somewhat heavier seeding is required than where the seed is of average size.

Rye Mows on Bare Fields

Would Make More Pasture
Many farmers in the state are fast realizing the importance of rye as a late fall and early spring pasture crop. Reports from one county indicate that the rye acreage there will be doubled this fall. Pasturing in winter may be done if the ground is not too soft. A Todd county farmer has reported that the increased milk production which he obtained by placing his cows in rye pasture was highly profitable. Aside from its value for pasturing a rye cover crop on corn and tobacco fields affords the soil protection from erosion and

THE RHODA ROYAL ENORMOUS THREE RING CIRCUS

Tell all others what you will but when all is said and told and retold, there is but one great show which is in every particular and detail the greatest and grandest of the entire world's shows, and that is the Rhoda Royals enormous R. H. show which is coming to Marion on Thursday September 22 in all its regal magnificence, its unrivaled splendor, its unexcelled numbers and vast proportion. Under the greatest city of snow white tents ever erected on any grounds will be seen fully one hundred exalted stars who will give one hundred and fifty superior acts. Hareback riding, harding, trick, fancy riding, aerial acts, gymnastics, vaulting, leaping, contortion feats and many other acts. Remember the date for this great performance.

CHAPEL HILL

Rev. James F. Price preached at the place last Sunday morning and afternoon.

W. W. Ward and family of Crayne attended church and took dinner with Marvin Hight Sunday.

Mrs. Albert Walker visited Mrs. Ira Hogg of Prestonburg Saturday and Sunday.

Herley Walker and family visited Mr. George Whit Sunday.

The Ice Cream Supper at the school house Friday night was well attended. The net proceeds amounted to about \$200.

C. E. LaRue and family of Deer Creek visited Leslie Walker and family Sunday.

Several from this place have been attending the protracted meeting at Crayne Creek.

Mr. and Mrs. T. M. Hill were called to the bedside of Mrs. Allen of Hogg's Chapel Monday.

J. A. Hill attended the big Farm Bureau Barbecue at Morganfield last Saturday.

Rev. T. N. Hart of Prestonburg will preach here next Sunday afternoon at 3:30 o'clock.

Leaching away of fertility during the winter.

The Crittenden County Farm Bureau has a very attractive price on acid phosphate for fall seeding. This price was made to the state federation by a large Tennessee concern. This price however would never have been made to individual farmers and this illustrates well one of the benefits of organization. Mr. Albert McCannell at the Marion Mill is the authorized agent.

Union county now has the largest Farm Bureau membership in the state. Union county farmers are progressive and realize a good thing when they see it.

The party finding a coil spring near the Howerton railroad crossing will please return to the County Agent.

PICNIC!!

A good time for everybody.
Annual Picnic of Marion Methodist Sunday School.

Friday afternoon September 9th at High School Grounds at 3 o'clock.

All members of the Methodist Sunday School invited. Bring your lunch baskets and come prepared for a good time.

FOOTBALL TEAM PROMISES TO BE A WINNER

The Marion High School football squad under the direction of Coach Brown began their practice for this season on Monday evening with more men out for practice than has ever been out for the first workout. Mr. Brown is very enthusiastic over the prospects for a winning team that we will all be proud of.

A schedule for this season has not as yet been completed but the manager reports tentative games with Princeton and Madenville. A pre-season game has been arranged with Francis for Friday September 16.

The boys that have reported for candidates in the back field are Percy Dillard, Ray Allen, Reginald Wilson, Odell Gandy and Martin Brown. These boys are already working good together and show promise of making a back field without an equal in the C. I. A.

Candidates for end Richard Hicklin, Calvert Small, Ernest Hughes, Jeffrey Travis and Robert Fraser. These are all fast men and the winners of permanent berths on the team will have to show some ability.

For the line Ray Hines, Hughes, Hiram Oliver, Tilton King, Perry Brookshire, Freda Bell, Captain and Sylvan Bell.

More candidates will be out as soon as suits can be supplied them.

PROTECT YOUR THING

No matter how fine the materials that go into a tire nor how perfect the workmanship in its construction the tire cannot give good service if it is neglected and abused. See the makers of Hartford tires.

If given a reasonable amount of attention a tire that is properly made of good materials will repay a motorist for every dollar he puts into it. But even the best materials and the finest workmanship amount to nothing when a tire is run under inflated or is subjected to such treatment.

It takes only a light turn of the steering wheel to avoid having a tire strike a big stone lying on the roadway, yet many motorists will take even that much trouble to save their tires. It is the driver who is careful who is able to boast of big tire mileage.

FOR SALE

One of the best building lots in Marion located on west side North Main Street. Concrete walk in front. Within three blocks of square. Will sell at a bargain for cash or on time. Phone 202 J. A. ELDER.

RETICHER LICENSE

At a meeting of the City Council Monday evening a license of \$100 was placed on the butchering and selling of meat in the city of Marion. This will prohibit what was fast becoming a flourishing industry of farmers peddling beef from house to house.

This ruling seems to hit both the producer and consumer and many feel that the ruling is unjust and should be changed.

FOR SALE

Modern Bungalow, six rooms and sleeping porch. Splendid location. Can give immediate possession. Call or see M. H. CANNAN.

MARION SCHOOLS OPEN WITH LARGE ENROLLMENT

The City Schools opened Tuesday morning for the year's work with a large attendance and prospects for the best year in the history of the schools. The time Tuesday morning was given to organization and no school was held in the afternoon.

The opening exercises at chapel were conducted by Rev. G. E. Dillon. Following this, Prof. R. E. Jagers, Sup't., introduced the faculty and the members made short talks. Mr. C. G. Thompson representing the school board and Mrs. Walter McConnell, representing the Improvement Club, gave short talks pledging their support for a larger and better school. Many visitors were present and much interest was manifested in the school work.

The enrollment on the first day was 147 pupils which is thirty more than were enrolled during the first term of last year and five more than were enrolled during the last year. One hundred additional pupils are expected to enroll during the term. Of the number enrolled 137 are enrolled in High School and 10 in the Graded School. The Freshman class of the High School has an enrollment of 60 pupils.

The School Board is to be complimented for their efforts in securing the corps of teachers our schools will have this year.

BIRTHDAY CELEBRATION

On Friday morning August 20th, the friends and relatives of Mr. and Mrs. Cule Moore gathered at their home to celebrate Mr. Moore's 80th birthday.

Heaped-up baskets with all kinds of good things to eat were brought and before dinner thirty five or forty persons had arrived. Dinner was spread in the yard and a very enjoyable hour was spent.

Mr. Moore is one of our most highly respected citizens and his many friends departed at a late hour wishing him many more happy birthdays.

Among those present were:

Mr. and Mrs. Joe Moore and their daughter Margaret; Mr. Jim Moore and Son; Mr. R. H. Thomas and daughter Ollie; Mrs. Lulu Moore and son; Mrs. Nannie Moore; Elbert Thomas and son; Mr. and Mrs. Lee Enoch, Mr. and Mrs. Hulse Stallion and children, Mr. and Mrs. Guy Thomas; Mrs. Guy Hodge and son; Mr. John Clark and daughter Elsie; Mrs. Eugene Clark and daughter Opal; Mr. Dick Manner; Mr. Bill Love; Mr. Andrew Hughes; Marvin Coss; Mrs. Tom Steamaker and Mrs. Emma Terry.

SMALL BLAZE

Tuesday afternoon about 12:30 a small blaze occurred at the residence of Jim Arfack on East Depot Street. The fire department was called out but the engine was not used. The blaze was extinguished by a bucket brigade. A section of the kitchen roof was burned off.

GABD OF THANKS

We want to express our appreciation to our friends of Forest Grove for their kindness to us during the sickness and death of our baby.

MR. AND MRS. W. E. BIMPSON

MARION HERDS

DEFEAT SMITHLAND

Friday afternoon at Cooks Park the Marion baseball club defeated the Smithland lineup to the tune of 9 to 0. The Marion boys had Smithland outclassed from start to finish. The Smithland boys started the scoring and gained the lead for the first few frames but were unable to hold the leads. Marion made her first run in the fifth. This was followed by four in the sixth, two in the seventh and one in the eighth. Brad Wheeler slammed one to left field which lodged in the tree in deep left. Much argument was the result of the hit but it was finally judged to be a home run.

Batteries for Smithland Zane and Jameson, for Marion Fraser and Perryman.

SURPRISE BIRTHDAY DINNER

A delightful surprise birthday dinner was served at the home of Mrs. S. A. Enoch Friday in honor of her 76 birthday. The eats which they brought were wonderful and were spread in her yard under the big shade where every one could eat with ease.

Those present were L. N. Sisco and wife and daughter; N. W. Jones wife and children; Mr. and Mrs. H. Walker of Mo.; Thomas Enoch wife and daughter; J. W. Enoch wife and daughter; R. W. Enoch wife and children; Mrs. Beatrice Enoch and children of Blackford; Ben Sisco and wife; Mrs. Vera Cardin and daughter; Mr. and Mrs. Earl Enoch of Salem; Mrs. T. Jones of Illinois; Mrs. Alpha McDaniel and children; Miss Myra Mitchell of Salem.

Mrs. Enoch has living ten children, forty-five grandchildren, forty-nine great grandchildren and one great great grandchild.

Society

Misses Bertie Travis and Ruby Chandler delightfully entertained a number of their friends at the home of Miss Travis on Bellville Street Thursday evening of last week. After an evening of entertaining games delicious refreshments were served.

Sara Isabel Dean celebrated her 18th birthday September 7th by entertaining a few of her friends at her home on Maxwell Street.

Misses Edna Graves, Elizabeth Lee Haynes, Louise Taylor, Virginia Carahan, Christine Lamb, Frances Hard, Julia Davidson, Robbie Elkins, Mary Belle Asher and Ophelia Vick accompanied Sara home from school and for two hours the girls played lively games on the lawn. Ice cream and cake were served in the dining room.

NOTICE

All persons having claims against the estate of J. D. Titherington, deceased, will present same to me, properly proven on or before October 1, 1921, or be forever barred.

R. H. BLACK, M. D., Adm'r. of J. D. Titherington, De'd

SUBSCRIBE FOR THE PRESS

THE RHODA ROYAL WORLD

TOWERS THREE-RING SHOWS

The Press takes pleasure in announcing to its readers that the famous Rhoda Royal Grandest and Best Shows will be seen at this place and arrangements have been made with the railroad authorities by which all who desire to come to Marion where these great shows will exhibit on Thursday September 22, can do so at greatly reduced rates. A visit to this largest of all big shows will constitute a gala day long to be remembered and besides it will furnish an opportunity for seeing the largest amusement institution the world has ever known. Under the largest tents ever constructed will be shown the finest zoological collection on earth, including the only riding lion ever exhibited, the largest pair of giant hippopotami in captivity, two herds of performing elephants, a drove of racing camels, the finest collection of imported thoroughbred horses ever owned by a single man or corporation and a circus performance embracing more high salaried performers than any two shows can boast, a school of almost humanly educated horses that do everything but talk, together with the most exciting chariot and other races ever seen under canvas. A grand street procession occurs at 10 o'clock rain or shine, when a full mile of glittering dens of wild beasts will be exhibited free upon the streets and ten different kinds of music will fill the air with melody.

OIL WELL REACHES DEPTH OF 1050 FEET

The oil well that is being sunk on the Dr. O. C. Cook farm on the outskirts of Marion has now been drilled to the depth of 1050 feet. The waste that is being pulled out of the well smells strongly of oil and hope is running high that oil will be struck in the near future. Drilling operations will continue indefinitely.

METHODIST SOCIAL

On Wednesday evening the official Board of the Methodist church gave a get-together social for all members of the church at the church building. Light refreshments were served and an enjoyable time was had by all present. Immediately after the social the Quarterly Conference was held.

PINEY FORK

Rev. C. T. Boucher has just closed his revival at Belles Mines.

Henry Wigginton and family spent Sunday with his father and mother in Marion.

J. N. Boone and wife spent Saturday night the guest of Ernest Tankwell and family.

Herman Boucher left one day last week to begin teaching school.

Elvis Andrews and family were guests of John Campbell Sunday.

Quite a number from here have been attending the meeting at Blackburn.

Fred James is on the sick list at this writing.

C. Rice has moved to this section.

Kelley James has moved in the Piney section.

E. Andrews went to Providence Monday.

Our school is in progress again after having been closed a few days on account of the teacher being sick.

last week on business.

John Patton and wife and Mrs. Ida
Meredith of Mexico were visiting
Mrs. Sarah Patton last week.

A large crowd from here attended
the funeral and burial of Oscar W.

Green who was killed in France.

Rev. Sizeman and family of Kut-
tawa are guests of Bill Davenport
and family this week.

Mr. Tom Hall and Brice McKin-
ney attended the Ohio River Associa-
tion last week.

Mrs. Nannie Patton of near Hugh-
ey and Miss Vesta O'Brien of near
Fairview were visiting relatives
here last week.

Miss Myra Campbell has returned
to her home in this section after a
visit to Mrs. Julia James near Salem.

WORKADAY WISDOM

Letter-burning before the letter is
matted may save many a heart-burn
later.

Most of our worries are like a
cracked mirror—they won't bear look-
ing into.

Often we could mend the ragged
edge of care if we simply took a
stitch in time.

As to paying compliments, Ezra,
let's not forget that to many folks
nonsense is income.

Don't make light of the fat man
who is trying to reduce, he's only try-
ing to mend his weight.

The person who determines at all
costs to make his day dreams come
true need never wake up.

In making good, the speed at which
we travel matters less than the direc-
tion in which we're going.

Still, it's better to keep on winding
up the old alarm clock every night
than to wake up some morning to find
one's affairs wound up by the sheriff.

A good swimmer ought easily to
realize that keeping one's head above
the waters of failure depends a good
deal on how one handles defeat.—

BETTER ROADS

DEVICE TO MAINTAIN ROADS

King Split-Log Drag Was the inven-
tion of a Missouri Man—Its
Construction Explained.

The King split-log drag is a good
drag made of a split log, and originat-
ed by Mr. D. Ward King of Maitland,
Mo. Mr. King explains the construc-
tion as follows: "Take the two halves
of a split log, ten or twelve inches
thick and seven to nine feet long. Set
the halves flat sides to the front,
fasten 30 inches apart with strong
stakes, the ends of which are wedged
in two-inch auger holes bored
through the slabs. Put a solid plat-

The King Split-Log Drag.

form on the stakes for the driver to
stand on. The hitch is made of strong
wire or chain, the long end fastened
to stake over the top of the front
slab, the short end put through a hole
in center of the slab and near the
end to prevent the back slab tilting
forward. Place four or five feet of
the ditch and of the front slab with
from an old wagon tire, worn shoe
or road grader, or any piece of flat
steel, will answer for this purpose."

HARD ROADS SAVE GASOLINE

They Also Result in Much Less
Wear and Tear on Tires, Springs
and General Comfort.

In tests recently made at Cleveland,
O., a five-ton truck carrying a full load
averaged 11.78 miles per gallon of
gasoline over a concrete road and but
3.75 miles per gallon over an earth
road in average condition.

The truck was tested over seven
different kinds of highway. On the
earth road the mileage per gallon of
gasoline was as above noted, 3.75. On
fair gravel, 7.19 miles per gallon; on
good gravel, 9.30 miles; on fair mac-
adam, 9.48 miles; on fair brick, 9.88
miles; on good brick, 11.41 miles; and
on concrete, 11.78 miles per gallon of
gasoline.

According to the above figures, for a
man who drives his auto 8,000 miles
during the year and assuming that 4-
600 miles of the total will be over me-
dium to poor roads, the balance over
fair to good roads, the cost of gasoline
would be \$40 to \$45 in excess of what
it would be if all of the road was
made of concrete.

Besides the extra expense for fuel,
there would be a big saving on tires,
springs, general wear and tear and
comfort.

HAULING ON COUNTRY ROADS

Yearly Average From 1915 to 1919
Amounted to 86,500,000 Tons—
Illinois in Lead.

Eleven principal crops afforded 86,
500,000 tons for hauling on country
roads in the yearly average of 1915 to
1919, or 27 tons per 100 acres har-
vested. Among the results of compa-
risons made by the bureau of crop
estimates, United States Department
of Agriculture, Illinois is far in the
lead of states in providing crop haul-
age, and its traction of the United
States total is one-tenth, or 8,650,000
tons. Iowa has 6,800,000 tons, and
Kansas somewhat more than one-half
of the Illinois tonnage hauled, with
4,400,000 tons. Following in order are
Nebraska, Indiana, Ohio and Texas,
with 4,000,000 tons in the ten named
states. The difference between high
and low costs of hauling due to poor
or good condition of roads reaches a
large figure in the hauling of this
great tonnage, or a large fraction
thereof.

Last Toll Road.

The last toll road in New Jersey
passed into history when the state
highway commission purchased a four
and one-half mile stretch near Cam-
den for \$70,000. The road was con-
structed in 1850.

Motor Trucks Overweight.

During the last year highway inspec-
tors in Pennsylvania weighed 4,076
motor trucks in various sections of the
state and found 1,156 to be over
weight.

ABSOLUTELY SAFE

That's the BANKERS LIFE, of
course. The compulsory deposit law
of Iowa makes it so.

We will be glad to tell you about it.

FORMAL FALL OPENING

Paducah Retail Merchants

September the 15th and 16th

COME TO PADUCAH FOR WEST KENTUCKY'S GREATEST FALL STYLE SHOW

TWO DAYS--Thursday-Friday, September Fifteenth and Sixteenth

INTRODUCING THE NEWEST FASHIONS IN THE
AUTUMN OPENING
OF 1921

You have long since learned that the Paducah merchants carry unusually interesting stocks at all times and that their prices compare to Paducah's advantage with those of any other city.

On opening days, every Paducah merchant makes an extraordinary effort to assemble merchandise that will take into account every individual type and every occasion.

So, regardless of what you fancy in any line of merchandise, for women, for children, for men, or for the home—you are certain to find it priced right, in Paducah. Come!

PADUCAH MERCHANTS WILL PAY YOUR FARE
TO AND FROM PADUCAH
EVERY DAY

The Fall displays this year have an especial appeal to you because you will find merchandise priced lower than it was a year ago—and—

Because the Paducah merchants are making unusual efforts to demonstrate more positively that "Paducah is the shopping center of this section."

Paducah retail merchants, under the rules of the Rebate Association, pay your fares to and from Paducah every day in the year. Few other cities do anywhere does that.

SHIRLEY'S SALE

By virtue of an order of sale directed to me, which issued from the Clerk's office of the Crittenden Quarterly Court, in favor of C. E. Dunn and W. D. Perkins against E. G. Stribley for the sum of \$250.00 and cost of this action, I or one of my Deputies, will, on Wednesday, the 10 day of September, 1921 between the hours of 10 o'clock A. M. and 2 o'clock P. M., at Resident of C. E. Dunn, Marion, in Crittenden county, Ky., expose to PUBLIC SALE to the highest bidder, the following property (or so much thereof as may be necessary to satisfy Plaintiff's debt, interest and costs) to wit: one lot of household & kitchen furniture, consisting of beds and bedding, chairs, sewing machine, clock, dresser, vanity, 3 piece furniture set, Moore heater, typewriter, rug and rug gets, washing machine, 1 chair, piano and stool, wheelbarrow, 1 pony mare and colt, 2 jersey cows and other things to numerous to mention, levied upon as the property of E. G. Stribley.

TERMS: Sale will be made on a credit of three months, bond with approved security required of the purchaser, with interest from date at the rate of 6 per cent per annum, and having the force and effect of a judgment.

Witness my hand, this 22 day of August, 1921.

V. O. CHANDLER, Sheriff C. C.

NOTICE TO CREDITORS

All persons having claims against the estate of Jesse W. Sherri, deceased, are notified to present same to me at my office, properly proven, on or before the first day of the next regular November Term of the Crittenden Circuit Court.

D. A. LOWRY, Commissioner

F. P. Charles spent the week end in Marion.

IN MEMORIAM

Leola Butler Cain was born July 18, 1860 and died July 1, 1921. He had been ill about two months. He was married to Miss Mandy Newman May 18, 1871. To this union was born two children: Cassie and Nemo Cain who survive. His profound faith in Christ some years ago and would the C. P. Church at Westport in 1902. Later he was made an ordained elder and remained faithful until death. Mr. Cain was a good man and loved by all who knew him. He made many friends wherever he went.

Dear wife and children do not mourn after your beloved husband and father. He has gone to the great beyond. Remember it was his wish he was ready and willing to go. Truly prepare to meet him. He has left behind an influence, he has borne away a sweet character, and in the confidence that in the great end he was a follower of the master, patiently endeavoring to do his will and trusting in the mercy of his salvation.

Now we loved Mr. Cain very much but God loved him more and now that his life which mattered so much to us has gone to shine more brightly on the other side, may it please a heaven to land the loved one together in the other shore and form an undivided family in a land of happiness and perpetual existence. His remains were laid to rest in the Green Chapel cemetery. Rev. T. C. Hatcher conducted the services. May God comfort the bereaved ones.

Weep not that his toll is over, weep not that his race is run. God grant we may rest as calmly when our work like his is done.

BEATRICE and LILLIAN

ENOCH & GUESS

R. H. ENOCH EUGENE GUESS

You'll enjoy the sport of rolling 'em with P. A.!

FIRST thing you do next—go get some makin's papers and some Prince Albert tobacco and puff away on a home made cigarette that will hit on all your smoke cylinders!

No use sitting-by and saying maybe you'll cash this hunch tomorrow. Do it while the going's good, for man-o-man, you can't figure out what you're passing by! Such flavor, such coolness, such more-ish-ness—well, the only way to get the words emphatic enough is to go to it and know yourself!

And, besides Prince Albert's delightful flavor, there's its freedom from bite and parch which is cut out by our exclusive patented process! Certainly—you smoke P. A. from sun up till you slip between the sheets without a comeback.

Prince Albert is the tobacco that revolutionized pipe smoking. If you never could smoke a pipe—forget it! You can—AND YOU WILL—if you use Prince Albert for packing! It's a smoke revelation in a jimmy pipe or a cigarette!

Prince Albert is sold in every red bag, tidy red tin, hand some pound and half pound tin hamsters and in the grand royal glass hamster with sponge moisture top.
